ⁱ The Commission has established two-person advisory committees to allow greater participation by individual Commissioners in making recommendations to the full Commission. In recognition of the public's interest in the meetings of these committees, the Commission has directed the committees to allow the public to monitor committee deliberations, whenever possible, by publishing a five-day notice of the meeting and allowing callers to listen and participate to the proceeding with a call-in telephone number.

As two-person advisory committees, Bagley Keene Open Meeting Requirements (Government Code Sections 11120 - 11132) do not apply to the committee meeting. However, the Commission will be soliciting public comment before and during the meeting. If you would like to comment on an agenda item prior to the meeting, you may email your comments to the Commission Assistant at CommAsst@fppc.ca.gov. Any comments submitted prior to the meeting will be provided to the committee members for consideration at the meeting. Additionally, the Commission is permitting public participation through the online portal: <http://mediasite.fppc.ca.gov/>
