Local Jurisdictions Draw Results

When a local jurisdiction is selected for audit, the audit shall include primary and general election candidates, at the last primary and general elections held prior to the audit selection. The audit will include the candidate's controlled committee for that office and cover all campaign statements and reports filed for the primary and general election including any previous campaign statements or reports filed since the last election for that office. The audit will not include statements or reports previously audited.

On August 27, 2025, the Commission conducted a drawing to select 20 local jurisdictions. The following were selected:

- Telegraph Ridge Fire Protection District
- City of Twenty Nine Palms
- Kern County
- Mesa Union Elementary
