California State Contribution Limits

(Effective January 1, 2023 - December 31, 2024)

Candidates seeking a state office and committees that make contributions to state candidates are subject to contribution limits from a single source. Effective January 1, 2021 a state campaign contribution limit will by default apply to city and county candidates when the city or county does not have laws addressing a contribution limit on such candidates. (Sections 85301 - 85303.) Contributions from affiliated entities are aggregated for purposes of the limits. (Regulation 18215.1.) The chart below shows the current limits per contributor for state offices and city and county candidates when the city or county does not have laws addressing a contribution limit on such candidates. The primary, general, special, and special run-off elections are considered separate elections. Contribution limits to candidates apply to each election. Contribution limits to officeholder and other committees apply on a calendar year basis. Contact your city or county about contribution limits for local offices. The state campaign contribution limit will by default apply to city and county candidates when the city or county does not have laws addressing a contribution limit on such candidates.

California State Contribution Limits

(Effective January 1, 2023 - December 31, 2024)

The contribution limits are effective for elections held between January 1, 2023 and December 31, 2024. (Regulation 18545.) These limits do not apply to contributions made to elections in previous years. Such contributions are subject to the limits in place for that year; see previous charts.

Legal Defense Funds

Contributions raised for a legal defense fund are not subject to contribution limits or the voluntary expenditure ceiling. However, a candidate or officeholder may raise, in total, no more than is reasonably necessary to cover attorney's fees and other legal costs related to the proceeding for which the fund is created. (Section 85304; Regulation 18530.4.)

Recall Elections

A state officeholder and city or county officeholder subject to Section 85301 (d) who is the subject of a recall may set up a separate committee to oppose the qualification of the recall measure and, if the recall petition qualifies, the recall election. Neither contribution limits nor voluntary expenditure ceilings apply to the committee to oppose the recall that is controlled by the officeholder who is the target of the recall attempt. Candidates running to replace an officeholder who is the target of a recall are subject to the contribution limits and the expenditure limits applicable to the election for that office. (Section 85315; Regulation 18531.5.)

Ballot Measure Committees

Contributions to ballot measure committees controlled by a candidate for elective state office or a candidate for elective city or county office subject to Section 85301 (d) are not limited.

Contributions from State Candidates and Candidates subject to Section 85301 (d)

A state candidate or candidate for elective city or county office subject to Section 85301 (d) may not contribute more than \$5,500 to a committee controlled by another state candidate or candidate for elective city or county office subject to Section 85301 (d) (This limit applies on a per election basis and includes, in the aggregate, contributions made from the candidate's personal funds and from campaign funds. (Section 85305; Regulation 18535.) This limit does not apply to a committee controlled by a state candidate or a committee controlled by a candidate for elective city or county office subject to Section 85301 (d) to oppose their recall or their contributions made to a legal defense fund established by a candidate for elective state office or candidate for elective city or county office subject to Section 85301(d). It also does not apply to contributions made by a candidate for elective state office or a candidate for elective city or county office subject to Section 85301 (d) to a ballot measure committee controlled by another state candidate or candidate for elective city or county office subject to Section 85301 (d). Please note there are certain rules applicable to use of funds held by state officeholder committees. (See Regulation 18531.62.)

Communications Identifying State Candidates

Any committee that makes a payment or a promise of payment totaling \$50,000 or more for a communication that:

1. Clearly identifies a state candidate; but
2. Does not expressly advocate the election or defeat of the candidate; and
3. Is disseminated, broadcast, or otherwise published within 45 days of an election, may not receive a contribution from any single source of more than \$45,500 in a calendar year if the communication is made at the behest of the candidate featured in the communication. (Section 85310.)

Officeholder Committees

Officeholder contributions must be cumulated (in full) with any other contributions from the same contributor(s) for any other future elective state office or elective city or county office subject to Section 85301 (d) for which the officeholder maintains a controlled committee during the term of office in which the contribution is received. Contributions to candidates for future elections and to their officeholder account are cumulated for purposes of contribution limits. (Regulation 18531.62.)

Contributions from State Lobbyists

A state lobbyist may not contribute to a state officeholder's or candidate's committee if the lobbyist is registered to lobby the agency of the elected officer or the agency to which the candidate is seeking election. The lobbyist also may not contribute to a local committee controlled by any such state candidate. (Section 85702; Regulation 18572.) In addition, effective January 1, 2015, lobbyists and lobbying firms may no longer take advantage of the \$500 or less home/office fundraiser exception that is available to other individuals and entities. (Section 82015(f).)

Local Elections

Many cities and counties have local contribution limits and other election rules. "Local Campaign Ordinances" are listed on the FPPC's website. Check with your city or county about contribution limits for local elections. A State campaign contribution limit will by default apply to city and county candidates when the city or county does not have laws addressing a contribution limit on such candidates.
